

How to support us right now (for free!)

(24th June 2020)

Green Corridor is now registered with Easyfundraising, which means you can raise FREE donations for us every time you shop online. Over 4,000 shops online retailers including Amazon, Argos, John Lewis, ASOS, Booking.com, eBay, Boden, and M&S, and when you make a purchase, sites will donate to us when you use Easyfundraising to shop with them – at no extra cost to yourself!

It would be amazing if you could sign up, it's completely FREE and only takes a moment.

You can find our Easyfundraising page at:

https://www.easyfundraising.org.uk/causes/greencorridor/?utm_campaign=raise-more&utm_content=en-e1

We are also now on Amazon Smile which means you can donate to Green Corridor for FREE every time you buy something on Amazon! We would really appreciate it if you would make us your chosen charity on Amazon to raise free funds to go towards getting much needed resources for our current learners and the new young people starting with us in September.

<https://smile.amazon.co.uk/ch/1092093-0>

We are also looking for volunteers to donate their time to Green Corridor during these tough times to help us prepare for the large influx of learners who are enrolling onto our courses in September 2020!

Volunteering activities will involve being outside in the sunshine, working alongside our project manager doing hands on tasks. Examples of these could be painting classrooms, building fences, planting seeds and putting together picnic benches!

You don't need any experience, we'll show you the way and provide you with all the PPE you may need. We are inclusive of all and are able to make adjustments to make tasks easier and help you.

We have put measures in place to ensure our entire learning and development centre is safe, adhering to social distancing following government guidance and to ensure the safety of all our visitors, learners and staff. We have put a number of measures in place including; a one way system, a large amount of face masks available on hand, all visitors/learners/staff must have their temperature taken at reception, strict social distancing and higher frequency of cleaning of the facilities.

If you are able to volunteer and support our charity and cause, please get in touch today and we can talk you through any questions you may have. We'd love to have you!
